

## Dear Alumni and Friends,

There are many ways you can help support Georgia Military College's important work. Unrestricted giving is always beneficial, but you may wish to direct your donations to such areas as academics, the arts or athletics. Whatever your interest, there is a way to make an impact.

When you make a gift to the GMC Foundation, you join hundreds of alumni, friends, faculty, staff, and even students, whose collective generosity is literally life-changing. And you can direct your gift to support a specific program or purpose.

Thank you for your involvement with GMC.  
Together, we can open doors to a more promising future.

ROBERT "BOB" W. McMILLAN, III

ANNUAL FUND CHAIRMAN

### REACH THEIR POTENTIAL

## Academics

- Jim and Barbara Strickland

### Unrestricted Giving

Unrestricted gifts provide the flexibility to meet current and critical needs, or unexpected opportunities. That's what makes unrestricted giving so powerful.

### DISCOVER THEIR DREAMS

## Arts

Your donation to the arts empowers GMC to host world-renowned artists, broadening the perspective of our students to include an appreciation for cultural experiences.

*"As individuals who are genuinely inspired by the arts, we are passionate to promote and provide multifarious opportunities for cultural enrichment at Georgia Military College that will stimulate students as well as the community."*  
- Mr. and Mrs. Clinton (Nancy Rice, HS'71) E. Thompson
