

Faculty/Staff Campaign

Each year, faculty and staff are invited to participate in the annual G.I.F.T. Campaign. Employees have the option of designating their gift to the area of their choice including programs, equipment, departments, or the unrestricted fund. Faculty and staff pledges and gifts can be paid using cash, checks, and credit cards. Of course, payroll deduction is one of the easiest ways to make a gift.

GMC's faculty and staff participation in the G.I.F.T. Campaign demonstrates to businesses, foundations and friends of the College that those closest to GMC support it financially as well as professionally.

*Thank you for all that you do to support GMC.
Please feel free to call the Office of Advancement (478-387-4840) with
any questions you may have regarding contributions to the school.*
